Excision/Alteration: Yes.

... Please turn over

Reason(s) for Excision:

Three excisions are required to remove strongly degrading and dehumanising conduct towards females who are also strongly degraded and dehumanised by the way they are depicted while this conduct is occurring. The females concerned are reduced to sexual objects. By presenting this treatment of women as entertaining and sexually arousing, the video recording degrades and dehumanises the women concerned to a high degree. In the first instance there is prolonged focus upon a female while four males ejaculate upon her and immediately afterwards whilst the director makes disparaging comments about her. Two excisions are required to remove depictions of a male slapping females upon the face whilst he is engaging in sexual activity with them.

Approved components of film after excision:
